## COURSE DESCRIPTION

How do I do my taxes? How do I get a mortgage? Can I cook a meal without burning the house down? These questions and many more are what we will strive to answer in this Life Skills class. Our goal is to equip the next generation to be independent and responsible adults.

## EXPECTATIONS AND ACCOMODATIONS

We expect every student to show all of our presenters respect and give their attention. If your child has any special accomodations that are needed please let our administrative staff or the instructor know and we will do our best to work with you.

## COURSE OBJECTIVES

Our objective for our life skills class is to provide an environment where our teens and young adults can be equipt with the knowledge they will need to enter into adulthood with every advantage possible.
